

HOME SAFETY KIT

HOME SAFETY KIT

A fire in the home or office can happen due to many causes, some of which are human errors, carelessness and electrical short circuits. When that happens, the quickest help at hand is very often what is already immediately available to fight the fire.

The UNIQUE Home Safety Kit contains three basic fire safety items that every home and office should have:

- UNIQUE Portable Dry Powder Fire Extinguisher
- UNIQUE Single Station Smoke Detector
- UNIQUE Fire Blanket

Don't be caught unprepared to handle a fire emergency. The life you save could be yours.
